February 2022

Dear Parents and Carers

It has been lovely to welcome all the children back and we have been fortunate to have very low Covid cases to begin 2022. St Louis continues to be guided by Suffolk Education Covid Team and daily monitoring of absences related to Covid continue.

Year 5 signed up to Children's University in January as part of a pilot that is being evaluated externally. Thank you to families for enrolling your children on this and I hope that they enjoy all of the home based activities and interests on offer to them. Mrs. Hodson, our science subject leader is planning for our second celebration of British science in March. If your work is in science, technology or maths, please contact her on rowan@stlouisacademy.co.uk and let her know if you are willing to speak to children during British Science Week. Either side of half-term, Mrs. Cox is working with the Fairtrade Group to organise a celebration of Fairtrade and its importance. The children have many ideas about raising the profile of Fairtrade in school.

Thank you to all the families who support children in completing weekly homework. Our next croissant and Golden Time half termly treat for KS2 will take place at the end of this half term. Please support your children to return their homework on time.

The parent survey has given us many ideas for improving the school over the next 12 months. A summary of your feedback is included in the newsletter. Once Governors meet to agree the improvement plan, this will be published in the following newsletter. I shared your feedback with all staff and the many, lovely positive comments about them were very well received. Thank you. We asked you to vote on your preference for parent consultations and based upon 65% requesting face to face meetings, we'll be sending out invitations to attend school in person shortly.

Applications for Reception places are in for this year and we'll be working with Governors to offer places in line with our Admissions Policy in February. If you would like a place at our excellent Acorns Nursery, please let admin know admin@stlouisacademy.co.uk. We are always happy to show prospective families around our wonderful school.

With best wishes

Sue Blakeley  
Headteacher

## A MESSAGE FROM BISHOP ALAN TO ST LOUIS CHILDREN

Mrs Cox and KS1 children made a wonderful video that was sent to Bishop Alan on behalf of St Louis. Bishop Alan has sent us this message:

Dear Mrs Blakeley,

Thank you so much for sending the beautiful Christmas Message from the children of St Louis Academy. I am sorry that I have not responded before but I went down with Covid just after Christmas and am now catching up!

Please would you pass on this message to them from me

Thank you.

With my prayers and good wishes,

**FRIENDS OF ST LOUIS**

You have been incredible in supporting the FOSL

Sadly, Wendy Patman–Smyth stood down from FOSL after years of brilliant work and Shelley needs help. If you have joined St Louis in recent years (or longer) and would like to help raise funds for the school, please contact [admin@stlouisacademy.co.uk](mailto:admin@stlouisacademy.co.uk). We hope to meet with anyone interested in getting involved.

**FEBRUARY FOOD COLLECTION**

Having a month-long collection in classes has proved a good way to get everyone helping with the food bank collection.

Therefore, in February, we ask for a tin of food as a food bank contribution.

Thank You Mrs Joy-Staines! You applied to Tesco on school's behalf and you secured £1000 towards equipment for our Community Teaching Kitchen.

## Lunchtime Sport

We use our PE provider to support sports activities that include:

Games. Challenge Activities  
Skipping games, Music  
Personal Challenge Leaderboards.  
We encourage children to use the trails and climbing equipment during breaktimes.

Supported using public funding by  
**ARTS COUNCIL  
ENGLAND**

As an Artsmark School, we gain many opportunities and priority spaces on writing experiences. We have secured spaces for all Year 6 to work in school with scriptwriters to develop Tiny Plays that will then be performed by professional actors at Theatre Royal in Bury St Edmunds. We will take them to the theatre to see how their writing translates into live stage performance. The writing focuses on the theme of transmission as Year 6 prepare to move to secondary school. We have the opportunity to take part in this project for free, thanks to Arts Council England and Periscope (Local Cultural Education Partnership). Here is the short documentary from last year's programme to give you a flavour of what it's all about - <https://www.youtube.com/watch?v=svz5M8P0t3Y> This project will provide a memorable end to their primary school education. Students will have the opportunity to creatively express their thoughts and ideas, learn new skills and take part in an end of project celebration with their peers. Each child will get the opportunity to work with a high-quality, professional playwright to teach them the of play writing. Children will learn about plot, character, storytelling, drafting and staging during two one-hour workshops, which take place in your school. By the end of these two workshops, each child will have crafted their own short play (under 5 minutes long).

## Children's University (CU) for Year 5

Debbie Bennet, our CU Co-Ordinator dropped off learning passports to Year 5 and talked them through the many home and community based learning offers open to them. We recognise that Covid has impacted upon all our children getting out and about and we believe Year 5 will gain many skills from taking part in more off-site fun learning. Each time a child completes a new activity, they gain a stamp on their passport. The value of Children's University is that the child organises their own activities that they find interesting but the programme also introduces them to experiences that they may not have thought to try out previously. Current challenges include Pop up Art, Birdwatch, Astronomy, Dance Moves and History. In school, we are using Skills Builder to help children to gain life skills. St Louis recognises that Children's University will help our year 5s become more creative, act as problem solvers and aim high. All of this helps them grow to be confident and independent, ready to move on to Secondary School. We are excited that so many families agreed to sign up and we are expecting passports filled with stamps very soon!

Children's University Challenges

As always completed challenges for Essex CU to [admin@essexchildrensuniversity.co.uk](mailto:admin@essexchildrensuniversity.co.uk) and for Suffolk CU to [manager@suffolkchildrensuniversity.co.uk](mailto:manager@suffolkchildrensuniversity.co.uk)

Please encourage your CU Learner to think about the skills they have used for each of these challenges

## ST LOUIS FAIRTRADE FORTNIGHT 21ST TO 6TH MARCH 2022

St Louis has been passionate about Fairtrade for many years and is pleased to have held the Fair Achiever Award for several years. Part of our commitment is to hold fundraisers and events to raise awareness about the importance of paying a fair price for products we buy. Our Fairtrade Committee, run by Upper Key Stage Two children, is busy preparing for Fairtrade Fortnight 2022. "For two weeks each year at the end of February and start of March, thousands of individuals, companies and groups across the UK come together to share the stories of the people who grow our food and drinks, mine our gold and who grow the cotton in our clothes, people who are often exploited and underpaid." ([www.fairtrade.org.uk](http://www.fairtrade.org.uk)) This year our St. Louis Fairtrade Committee is making activity packs for everyone to buy. They are busy creating, drawing, compiling so that there is something for everyone to enjoy, whichever year group you are in. When you come back after half term, your packs will be ready for collection. Look out for posters going up around the school! Who will buy the first ever St Louis Fairtrade activity pack?

This is the overview of Catholic teaching in our school during Spring Term.

the DIOCESE of EAST ANGLIA

Welcome back to a new term and 2022! We hope that you had blessed and holy Christmases filled with the peace of Christ! Having just started a **new Liturgical Year** at the beginning of Advent, we are not far into the new Church year either.

### What's going on in the Catholic Church:

#### Changes of Season:

As we return to school, we will have our prayer cloths **white** as we will still be in the **season of Christmas!** White symbolises innocence, purity, victory and joy and is used for joyful and glorious occasions including Jesus, Mary the angels and the saints!

**Monday 10<sup>th</sup> January 2022:** We move back into the season of **Ordinary Time**. Our prayer cloths will be **green** to reflect our growth, hope and life in the Lord.

**Wednesday 2<sup>nd</sup> March 2022:** We will enter into **Lent** where our cloths will be **purple** to reflect this season of preparation and penance.

(When we return to school after Easter on 12/4/22, we will be back to **white** again as we will be in the season of **Easter**.)

#### Key Dates (holy days of obligation in addition to Sundays are in bold\*):

- 6/1/22 – Solemnity of the Epiphany
- 9/1/22 – Feast of the Baptism of our Lord
- 2/2/22 – Feast of the Presentation of the Lord
- 2/3/22 – Ash Wednesday
- 19/3/22 – Solemnity of St Joseph
- 25/3/22 – Solemnity of the Annunciation of the Lord
- 10/4/22 – Palm Sunday
- W/C 11/4 – Holy Week
- 15/4/22 – Good Friday
- 17/4/22 – Easter Sunday
- 24/4/22 – Divine Mercy Sunday

\*If the holy day of obligation falls on a Saturday or Sunday, it is transferred to the nearest Sunday.

**RE in school:** Our Gospel values this term are Truthfulness and Compassion for Spring 1 and Forgiveness and Friendship for Spring 2.

#### This term in our classes, we will be exploring:

**EYFS:** Getting to Know Jesus, Sorrow and Joy, and Growing and Giving – Lent.

**KS1:** The Chosen People, The Good News and Giving.

**LKS2:** Being a Christian, Called to Change and Prayer (prayers of the Mass)

**UKS2:** God's Covenant, Reconciliation, and Prayer (prayers of the Mass).

Inspired by Pope Francis's words in his encyclical 'Laudato Si' and following on from our live discussion and Q&A experiences from COP26, we have decided to embark on our 'Live Simply' award journey. This CAFOD-led award guides organisations towards living a life that is gentler on our planet and kinder towards others. Over the next few weeks, we will start our planning discussions with both staff and children on how we can walk together as a school along this new journey. Watch this space!

Let us pray... Lord, thank you for who you are: the mighty and strong God who became so humble that he entered the world as a little baby just so that we could become closer to you. Please forgive us for those times when we have not followed this beautiful example of humility with others in our lives and instead fallen into the trap of false pride. Help us to acknowledge that all the good we have comes from you, we thank you for this. Please help us to be living examples of your love this term. Amen.

(This uses the ACTS prayer model that we will be exploring more this term as a school. It suggests a prayer structure of Adoration, Confession, Thanksgiving and Supplication.)

## We are inviting application for 2022-2023 nursery places.

One of the many benefits of working collaboratively in a Trust is that we get support from schools. St Albans High School has helped us develop a new nursery website page and will help us in social marketing of our nursery in the Newmarket area. Mrs

Muscionico took fabulous photos of our children learning through play for the website. Nursery children have been especially busy learning to count to ten this term. This skill will support them in their move to Reception.
